GIVING TUESDAY | NOW

5th May 2020

A global day of unity

Show your gratitude!

Share a message of thanks on social media using the hashtag [#GivingTuesdayNow](#).

- You can thank neighbours or volunteers who have supported you, your family or your community
- Thank all essential workers (delivery drivers, teachers, bin collectors etc), who are helping our communities get through this
- Or thank your favourite charity who is working hard in very challenging circumstances to deliver for their cause.

Send as many messages of thanks as you want, the more the better!

Share a heart for all essential workers

Share a heart on social media and in your front window at home to say thank you to all essential workers getting us all through this crisis:

All NHS workers including medical staff, cleaners, porters, laundry staff & caterers, all food chain staff, delivery drivers, bin collectors, public transport workers, teachers, care workers, milk and post men & women, emergency services, community volunteers, workers making PPE & tests neighbours and of course charities!

You can combine your thanks and heart in to one message!

Together We...

This day is all about coming together, to show our gratitude to those who have supported us during this crisis. You can include Together We Give, Together We Help, Together We Stand, Together We Thank etc. in your social media and with your heart!

Other things you can do

- Get the kids involved, get them to draw a heart for your window, ask who they want to thank.
- Host a fundraiser for your favourite charity! Organise a remote pub quiz or get together with friends online for a coffee morning
- If you are in a position to give, please do make a donation to your favourite charity or a relevant fund. Charities needs our support now more than ever.
